TRAIN DOORS REMAINED OPEN DURING OPERATIONS

PETALING JAYA, 27 July – Rapid KL apologises over an incident that happened yesterday around 3.01pm on 26 July 2021, where the doors of the LRT Kelana Jaya line train remained open during operations after its departure from LRT Ara Damansara Station heading towards LRT Lembah Subang Station.

The incident was discovered immediately by the Operations Control Centre and the train was taken out of service less than 2 minutes later when it reached the LRT Lembah Subang Station that is located about 900 metres away from LRT Ara Damansara Station. It was then sent to the depot for immediate inspection and further investigation.

During the incident, there were seven passengers on board the train. All were evacuated safely.

Rapid KL takes this incident very seriously and a detailed investigation is taking place to identify the cause. Appropriate mitigation plans will be implemented to avoid future occurrence.
